PROFESSIONAL EXPERIENCE

Brand Marketing Manager | Kedia Real Estate LLP

Aug 2025 – Present • Jaipur, India

- Leads full brand marketing P&L across ATL, BTL, and digital — overseeing campaign strategy, agency relationships, and budget allocation to drive qualified lead volume and brand awareness for a leading Jaipur real estate developer.
- Manages a cross-functional creative team of 12 across graphic design, video editing, social media, and influencer marketing — maintaining brand consistency and output quality at scale.
- Drives integrated Meta and Google Ads campaigns, optimising CPL and improving conversion rates through A/B testing, audience segmentation, and landing page iteration.
- Developed and executes comprehensive annual brand plans covering positioning, communication strategy, ATL/BTL channel mix, and promotional calendar aligned to quarterly revenue targets.
- Built real-time performance dashboards in GA4 to track campaign KPIs, enabling faster budget reallocation and improving reporting cycle time for leadership.
- Partners directly with sales teams on pricing strategy and promotional planning — monitoring competitor activity to identify market gaps and inform tactical adjustments.
- Leverages AI tools (ChatGPT, Claude, Gamma, Canva AI, Microsoft Copilot) to accelerate content creation, deck production, campaign ideation, and reporting automation.

Brand Development Manager | Skinaa — Consumer Healthcare / Skincare

Aug 2022 – Jul 2025 • Jaipur, India

- Led a team of 23 across marketing, general trade, modern trade, and e-commerce — owning the full commercial and brand function end-to-end.
- Grew brand social media presence from near-zero to 10x followers in 18 months through strategic content planning, influencer partnerships, and community management.
- Managed all e-commerce marketplace operations — product listings, advertising campaigns, sponsored ads, fulfillment coordination, and performance tracking across Amazon, Flipkart, Myntra, Nykaa, Meesho, JioMart, 1mg, and MyStore.
- Oversaw packaging design — briefing design teams, managing print production, ensuring compliance with labelling regulations, and iterating based on consumer feedback.
- Handled raw material procurement and third-party vendor management — negotiating contracts, qualifying suppliers, and maintaining supply continuity.
- Reduced manual marketing reporting time by ~40% through automation tools and a structured KPI performance management system.
- Managed end-to-end brand strategy — positioning, product range optimisation, and ATL/BTL/digital channel mix to consistently hit commercial targets.
- Executed ATL campaigns (print, OOH) alongside digital activations — writing creative briefs, managing agencies, and measuring effectiveness against brand equity metrics.
- Built CRM-led acquisition and retention workflows — lifecycle segmentation and personalised communications — improving repeat purchase rates and customer LTV.
- Used consumer insight, shopper data, and competitive analysis to optimise promotional spend and improve campaign ROI quarter-on-quarter.
