✓ **PROFILE TITEL:** Business Head /Branch Manager/SBM

(Operation sales management Department)

✓ **Add.:** Jaipur city, Rajasthan (Bharat)

Professional Working Profile:

I have updated my professional profile to reflect a **robust strategy for both current stability and future growth**. With 14.5 years in Sales Operations and Business Development, I focus on building **tech-enabled, high-performance teams** that can navigate shifting market trends. My approach ensures 100% accountability through CRM discipline and premium client management. Ready to drive your organization's next phase of expansion

The Future Situation (Growth & Scalability

1. Current Situation: Ensuring Stability & Precision. My immediate focus is on driving revenue stability amidst market volatility through rigorous CRM discipline. By ensuring 100% precision in lead tracking and providing a 'Single-Window' service model for premium clients, I guarantee total transparency and consistent results in today's environment.

2. Future Growth: Scalability & Market Leadership To drive future growth, I am upskilling my team to leverage digital tools and market intelligence. Our goal is to evolve beyond traditional sales into comprehensive 'Asset Lifecycle Management'—handling everything from initial architecture to final handover—ensuring we outpace competitors and dominate emerging markets.
