PROFESSIONAL SUMMARY

Operations and client-management professional with international experience in hospitality and commercial leasing in the UK and India. Proficient in stakeholder engagement, process optimisation, and customer experience strategy. Skilled at identifying inefficiencies and managing high-value client relationships. Currently transitioning to consulting with training in business analysis, Agile, SQL, Python, and sustainability. Interested in ESG, operational transformation, and business process improvement in the Indian market.

PROFESSIONAL EXPERIENCE

Senior Property Consultant | 99tolet | Jaipur, Rajasthan, India , Jan 2026 – Present

- Managed commercial leasing for corporate clients with budgets over ₹1 lakh.
- Built long-term relationships with landlords and clients, enhancing retention and repeat business.
- Aimed for monthly leasing revenue targets of ₹2 lakh through strategic engagement.
- Conducted market research to match business needs with property opportunities.
- Coordinated property visits, negotiations, documentation, and communication.
- Fostered owner trust through transparent communication and reliable execution.

Client Relation & Experience Manager | Residence Inn by Marriott | London, UK, Nov 2023 – Mar 2025

- Advised leadership on operational improvements and guest experience strategies, contributing to a 150%+ increase in loyalty enrolments and a 25% rise in positive customer reviews.
- Analysed recurring operational issues and implemented integrated issue-tracking methods that reduced repeat complaints by 35%.
- Collaborated with IT and operations teams to reduce paper-based downtime reporting by 50%, supporting operational efficiency and sustainability initiatives.
- Coordinated cross-functional teams to maintain operational consistency and service delivery standards.
- Supported process optimisation initiatives by identifying service gaps, escalation trends, and workflow inefficiencies.
- Developed customer-focused operational strategies to improve retention and

overall service performance.

Guest Service Supervisor | Residence Inn by Marriott | London, UK, Jan 2023 – Oct 2023

- Led front-office operational activities, team scheduling, and customer service coordination in a high-volume hospitality environment.
- Conducted staff training and workflow planning to improve operational consistency and service standards.
- Resolved complex customer escalations through analytical problem-solving and stakeholder communication.
- Supported leadership with operational reporting, process coordination, and customer satisfaction initiatives.
- Contributed to team productivity improvements through structured communication and conflict resolution.

Consulting Project – Ritz Carlton, Grand Cayman

- Conducted analysis on employee retention challenges and Gen-Z workforce attraction strategies within the hospitality sector.
- Evaluated workforce engagement trends, operational pain points, and organisational culture factors.
- Proposed strategic recommendations focused on employee experience, retention, and employer branding.
